1. Subject accompanied Ina TERTARIAN together with Oleg to the night club on 31 Mar 1964. Aged 35, 5'8-5'9, dark blonde, round face, opulent, a very strong smoker. Has been to France and CSR. Her profession stated as electronics engineer from Moscow. Quite familiar with Western fashions. Of average women intelligence, pretended to be very proud of the fact that Soviet work "instead of just sitting at home like Western ladies".
2. Subject was delighted with the performances in the club, particularly with dances. Remarkably "softened" and very soon switched from her ~~extreme~~ criticism of Western decadence to praise of "real art" she was just looking at. When some politics cropped up she left it to Oleg.
